**“The program was outstanding on so many levels
(content, format, professors, networking, lodging, food).
What a great week!” - Ed O’Brien, HBO**

CTAM Executive Management, a Harvard Business School Executive Education program developed for CTAM and sponsored by CTAM Educational Foundation, is a world-class management development experience for high-potential media, entertainment and related technology executives in an elite business school environment.

Attendees will benefit from an intensive week of thinking and learning focused on business strategy, marketing and management principles that will ready you for the next generation of challenges.
